General Information:

- All pages of this application shall be filled out in their entirety and signed by the authorized representative.
- Missing submittal information will delay your application or may cause ASNT to remove your application from consideration.
- The applicant should have read and understood the solicitation document.
- The applicant should have reviewed the AEC program documents prior to submitting this application.
- Contact ASNT for clarification of any information prior to submitting this application.

Submittal Information:

This following information shall be submitted in its entirety to be considered as an AEC.

- Provide the most recent two (2) years of audited financial statements.
- Submit the application fee of \$1,500.00 (USD).
- Submit proof of comprehensive general liability insurance, meeting the requirements of section 2.0 in the solicitation document.
- Submit proof of Establishment. Have you been in business as an examination center for at least 5 years?
- Submit the companies Quality Management System (QMS) Procedures. QMS submittal should meet section 4.0 of the solicitation document and address all the requirements in ASNT procedure AEC-5.
- Submit test facility information:
 - Detailed Building Layout that shows the check-in area, sample storage area, personal belonging storage, bathroom facilities, examination rooms and details of all other areas. A top view of the facility with labels is recommended.
 - Testing Equipment List. Based on the ASNT AEC-2.1 document, list all equipment that could be used for ASNT examinations.
 - Staffing List – include names, titles, duties and certifications. Only include staff that could be used in the delivery of ASNT examinations.
- Testing availability. List your typical hours of operation and chart the days and hours of the week that you could administer ASNT examinations.
- Marketing Plan. How do you plan as a company to market ASNT examinations? A detailed marketing plan is expected.

*The AEC is encouraged to provide an organized professional submittal package to be reviewed by ASNT for consideration.

Authorized Examination Center (AEC) Application

Statements and Signature:

Company hereby attests that all facts on this application and submittals are true and correct and no information which might be detrimental has been withheld.

ASNT may make any inquiries necessary to determine the information is correct. Company agrees to abide by the decision of ASNT relative to the granting of any authorizations as applied for herein.

For valuable consideration, the undersigned company, having made application for ASNT Authorized Examination Center, does hereby release and forever discharge The American Society For Nondestructive Testing, an Ohio Corporation, from any and all liabilities, claims, demands, or causes of action whatsoever, which now exist or which may hereafter arise on account of the undersigned's activities henceforth as an AEC Authorized by ASNT.

The undersigned company further acknowledges that this release is being given as a prerequisite for having filed application for consideration by ASNT.

The undersigned company further represents that if not Authorized by ASNT, then this release and discharge shall have no force and effect; otherwise upon Authorization as set forth above, this release shall be binding on the otherwise undersigned and The American Society for Nondestructive Testing, Inc. and any and all agents of ASNT in connection with such authorization process.

Company has read and understands the transfer, cancellation and refund policy and understands that all application documents submitted to ASNT become the property of ASNT.

Company agrees not to release confidential examination materials or participate in fraudulent test administration practices.

Company understands the requirement to inform ASNT of matters that affect the company's capability to continue to fulfill the requirements of authorization. Failure to do so may result in the suspension or revocation of the company's authorization(s) by ASNT.

Company authorizes ASNT to publish name, city, state, country, authorization(s), expiration dates of authorization(s) and any possible suspension or revocation of authorization(s) by ASNT.
